

Property Exchange

Where Mining Properties are Bought and Sold!
PropertyExchange.InfoMine.com

Buyers:

- Find mineral properties available for sale, option or joint venture
- Search based on commodity, country and deposit type
- **Over 500 mineral properties available**, continuously updated

Sellers:

- **Showcase your property** on the world's most visited mining website
- **Build a web presence** with our easy-to-use interface
- **Stand out** with a **Property Portfolio**

Types of Listings:

Featured and **Premium** listings are accessible to the general public, have the most depth of information, and stand out by being listed on top of search results.

Standard listings have basic information about the property. These can be viewed by InfoMine subscribers with a standard or higher subscription.

With a **Property Portfolio** you can list several properties, have a corporate profile page displaying your properties, and your logo prominently displayed on the Property Exchange homepage.

For Property Exchange information, please visit
