FOR IMMEDIATE RELEASE

AMERIX PRECIOUS METALS COMPLETES FIRST TRANCHE OF PRIVATE PLACEMENT

March 30, 2009

Amerix Precious Metals Corporation (TSX Venture: APM, Frankfurt: NJG) announces that it has completed the first tranche of a \$1,000,000 best-efforts, non-brokered, private placement financing (the "Offering"). The Offering consists of up to 50,000,000 Units at a price of \$0.02 Unit, with each Unit consisting of one Amerix common share and one warrant entitling the holder to purchase one Amerix common share at a price of \$0.05 for a period of twelve months from the date of closing. The Offering also includes provision for a finders fee payable at a rate of up to 7% of gross proceeds from Unit sales or in options enabling the purchase of Units at a rate of up to 7% of the number of Units sold. The securities issued in connection with the Offering are subject to a four month hold period from the date of issue. Net proceeds from the Offering will be used to continue to fund the Company's exploration projects in Brazil and general working capital purposes.

Under the first tranche, the Company issued 12,670,000 Units for gross proceeds of \$253,400. The Company also wishes to advise that Insiders, as defined by the TSX Venture Exchange (the "Exchange"), participated in 25% of the First Tranche, which is the maximum participation permitted by the rules of the Exchange.

The Company intends to close a Second Tranche within the next two weeks.

About Amerix Precious Metals Corporation

Amerix Precious Metals Corporation is an Ontario company exploring for precious metals in Brazil. Amerix's objective is to create value for shareholders through expansion of bedrock gold resources, and development of placer and tailings gold resources. Brazil has enormous gold potential and is a proven mining-friendly country. The Corporation's shares trade on the TSX Venture Exchange under the symbol "APM" and at the Frankfurt Stock Exchange under the symbol "NJG."

Disclosure Regarding Forward-Looking Statements: This press release contains certain “Forward-Looking Statements” within the meaning of applicable securities legislation. All statements, other than statements of historical fact, included herein are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Corporation’s expectations are disclosed in the Corporation’s documents filed from time to time with the TSX Venture Exchange and, among others, the Ontario Securities Commission as well as under the heading “Risk Factors” in the Management Discussion and Analysis.
