

## Brilliant Mining Reprices and Grants Stock Options

**June 19, 2009**

**Edmonton, Alberta – Brilliant Mining Corp. (BLT:TSX-V) (“Brilliant” or the “Corporation”)** announced that the Board of Directors of the Corporation (the "Board") has granted stock options pursuant to the Corporation's incentive stock option plan to acquire an aggregate of 1,175,000 common shares of the Corporation ("Common Shares") at an exercise price of \$0.15 per Common Share, of which 1,050,000 are being granted to insiders of the Corporation ("Insiders").

The Board also approved, subject to approval of the TSX Venture Exchange, the repricing of outstanding stock options to acquire an aggregate of 2,367,500 Common Shares with exercise prices of between \$1.10 and \$5.00 per Common Share, to \$0.15 per Common Share. Of the stock options to be repriced, stock options to acquire an aggregate of 1,925,000 Common Shares are held by Insiders. The amendment to the exercise price of outstanding stock options held by Insiders was approved by disinterested shareholders at the special meeting of the Corporation held on May 19, 2009.
