

Attention Business Editors:

Uranium Star Establishes Special Advisory Committee for Emerging World-Class Vanadium Project in Madagascar

TORONTO, June 29 /CNW/ - Uranium Star Corp.'s (OTCBB:URST) (FRANKFURT:YE5) ("Uranium Star" or "the Company") Green Giant Vanadium Project in Madagascar is emerging as a potential world-class deposit.

Given the anticipated future demand for high-quality steel products in conjunction with the focus on "Green Technology" products such as batteries for renewable energy storage and electric cars, the world's consumption of vanadium is forecasted to go much higher.

Recognizing this opportunity, Uranium Star is moving to strategically position the company and its Green Giant Project in the best possible political and financially sound position.

To help attain that goal, Uranium Star is very pleased to announce that the company has engaged the Honourable Brian Tobin, P.C., ICD.D to lead these important initiatives. To facilitate this process, Uranium Star will establish a Special Advisory Committee on which Mr. Tobin will act as Chairperson.

Mr. Tobin is clearly suited to this task as can be best seen in this brief outline of his many accomplishments.

<<

- The Hon. Brian V. Tobin, P.C., ICD.D, is currently Senior Business Advisor with Fraser Milner Casgrain LLP in Toronto. Mr. Tobin serves on a number of public company boards including Lions Gate Entertainment Corp., Aecon Group Inc. and Consolidated Thompson Iron Mines Limited and he is Chairman of the board for New Flyer Industries Inc.
- The Hon. Brian V. Tobin, P.C., ICD.D, served as the Federal Minister of Industry from October 2000 to January 2002.
- Previously he served as the Premier of Newfoundland and Labrador from 1996 to 2000 and won two consecutive majority governments in provincial elections held in February 1996 and February 1999.
- Mr. Tobin served as a Member of Parliament from 1980 to 1996 and served as Minister of Fisheries and Oceans in the federal cabinet from 1993 to 1996.
- Mr. Tobin is also a director of CommerceTel Canada Inc., Marport Deep Sea Technologies Inc., Kruger Inc. and Canpages Inc.
- In addition, Mr. Tobin is a strategic advisor to a number of Canadian corporations. He is also Special Advisor for Advancing Canadian Entrepreneurship Inc.
- Mr. Tobin has completed his memoirs entitled, 'All in Good Time' published by Penguin Books.

>>

Kirk McKinnon, President & CEO commented "Brian Tobin will add a special dimension to moving the Green Giant Project forward as his proven skills are well understood and acknowledged in the political and business arenas. Brian will provide Uranium Star with leadership, experience and counsel that will greatly enhance the progression of the Green Giant Project and will serve Uranium Star very well. The company is fortunate that he has chosen to participate in the company's new and rapidly emerging Green Giant Vanadium discovery."
