What's new this month at [www.infomine.com](http://www.infomine.com)

**InfoMine Readership now exceeds 100,000 per month!!**

Between January 2002 and January 2003 the number of unique visitors to InfoMine increased from 81,000 to 111,000 per month, and the number of Reader Sessions increased from 223,000 to 303,000 per month for increases of more than 33% in both cases. This reflects the great value that visitors and subscribers are finding in the content on InfoMine. This readership does not include the thousands who receive copies of the daily, weekly or monthly e-mailed newsletters from InfoMine. InfoMine is now the most widely read mining industry specific web site or publication.

### Featured Products this Month!

If you're serious about what's happening in mining and exploration and you don't have the time to surf the web for news, you can't afford to miss InfoMine's News Digest Services. From a single visit to the InfoMine website, you can select which News Digest services you need. InfoMine will then send you e-mails, typically daily, containing the key news that you've requested, hypertext linked to more comprehensive information embedded directly in the InfoMine website.

InfoMine is very excited about its two new email digests – the Gold Digest and the Diamond Digest. Both digests offer focused gold or diamond mining and exploration information, the ability to extend your knowledge by linking directly to relevant pages on the InfoMine web site, and links to editorial commentary from leading editorial writers from around the world.

Click on the links below for a free trial to either or both of these exciting newsletters!

### InfoMine Welcomes our Newest Clients!

## **CareerMine**

There is always something new and exciting at CareerMine! This month CareerMine is proud to announce the launching of the Spanish CareerMine page. You can take a look at this page by clicking [here](#).

CareerMine also welcomes Hamersley Iron as its latest Career Partner. These Partners are viewed as "Employers of Choice". Please take a moment to visit their dedicated job pages.

## **Companies / Properties**

Overview Tour now available! A new tour has been added for the Companies/Properties section. The "Companies and Properties Overview Tour" outlines the entire section and provides an overview of all that Companies/Properties offers. Visit the Companies/Properties section home page (<http://www.infomine.com/companies-properties/>) and take a tour.

## **Consultants / Specialists**

The Consulting Company and Mining Specialists Section has been revised to include several new features. Check the "Consulting Services Required" section on the top right and list your project opportunities with InfoMine. Consulting Companies - would you like to have your Corporate Newsletters linked from InfoMine? Contact Toni Wallis at [toniw@infomine.com](mailto:toniw@infomine.com)

The tour for "Listing as a Consulting Company" is now live. If your company provides mining or environmental consulting services to the international mining community, we recommend you be listed in the InfoMine International Mining Consultants Directory
