

WesTech Mining and Metallurgical Products

Thickeners

- HiFlo™ High Rate Thickener
- Conventional Thickener
- AltaFlo™ High Rate Thickener
- Deep Bed™ Paste Thickener
- HiDensity™ Paste Thickener
- Replacement Drives
 - Bridge Supported Shaft Drive
 - Column Supported Cage Drive
 - Traction Drive

Clarifiers

- solids CONTACT CLARIFIER™
- Flocculating Clarifier
- SuperSettler Inclined Plate Settler
- Buoyant Media Clarifier
- Metallurgical Contact Clarifier

Vacuum Filters

- Drum Filter
 - Belt Discharge
 - Roll Discharge
 - Scraper Discharge
 - String Discharge
- Horizontal Belt Filter
- Precoat Drum Filter
- Disc Filter

Granular Media Filtration

- SuperSand Continuous Backwash Filter
- Vertical and Horizontal Pressure Filter
- Rectangular and Circular Open Top Gravity Filter

Screens

- CIP/CIL Carbon Retention Screen
- Linear Screen

Tankage

- Anchor Channel Tank
- Elevated Tank
- Steel Bottom at Grade
- Supply and Erection

Man Camp Potable Water Treatment

- AltaFilter™ Ultrafiltration Membrane System
- AltaPac™ Ultrafiltration Package System
- ClariCell-B™ Package Treatment Plant

Man Camp Wastewater Treatment

- STM-Aerotor™ IFAS Package System
- ClearLogic™ MBR System

Magnetic Separators

- Permanent Magnet Belt Separator

Services

- Bench Scale Feasibility Testing
- Field Pilot Studies
- Installation and Erection Services
- Mechanical Evaluations
- Plant Process Audits
- Pilot Rental Equipment
 - Buoyant Media Clarifier
 - High Rate Thickener
 - Ultra High Rate Thickener
 - Solids Contact Clarifier
 - Linear Screen
 - Precoat Filter
 - Horizontal Belt Filter
 - Drum Filter
 - Paste Thickener
